## Site of the Day

**American Express + World Monuments Fund: Partners in Preservation**  
 Designed by SiITE Interactive to provide information about the World Monuments Watch — a program that helps safeguard some of the most treasured landmarks in the world — this site provides a quick view of hundreds of landmarks around the globe. From the Temple of Hercules in Rome to Jaisalmer Fort in Rajasthan, India, you can explore 126 of the world's most treasured architectural and cultural sites. Built using Dreamweaver, Flash, and Photoshop. (Aug. 20, 2007)
